

2017-2018 YEAR AT A GLANCE

Onslow Memorial Hospital is one of the region's premier healthcare providers, with the most comprehensive care delivery system in the area. In 2017-2018, the hospital was awarded the **American Heart Association's** (AHA) "Get With The Guidelines®-Heart Failure Gold Quality Achievement Award," the **AHA/American Stroke Association's** "Get With The Guidelines®-Stroke Silver Plus Quality Achievement Award," and Rehab joined the **North Carolina Compass Study** to continually improve stroke care. While the Cardiac Rehab program celebrated its 20th year last year, Onslow Memorial also added diagnostic coronary (heart) catheter services in 2018 with of our state-of-the-art, **new Cath Lab**. And on a more delicious note, in 2018 the hospital renovated its cafeteria, **Bistro 317**.

The hospital is also extremely grateful to our staff, which was extraordinary in providing ongoing care for our community during and after Hurricane Florence's devastation.

The success of this year would not have been possible without the support of our broader community. It's been our honor and pleasure to serve you and continue to provide quality care to Onslow County and the surrounding areas.

*Onslow Memorial Hospital is a not-for-profit, tax-exempt organization. We are recognized as a charitable organization under section 501(c)(3) of the Internal Revenue Code, which exempts us from federal income tax and allows us to receive tax-deductible charitable contributions.
